ARE YOU ON THE BRINK OF A DIVORCE, BUT YOU'RE NOT READY FOR THE MARRIAGE TO END?

HAS YOUR SPOUSE ALREADY MOVED ON OR FOUND A NEW LOVE BUT YOU WANT THEM BACK?

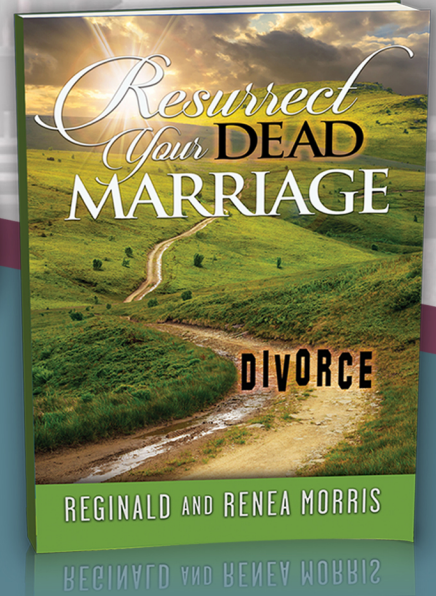

DO YOU NEED GOD'S IMMEDIATE INTERVENTION TO SAVE YOUR MARRIAGE?

If any of these questions reflect your situation, rest assured that you're not alone. Even though statistics show that 1 in 2 couples who marry divorce, research also shows that 50% of those who do get divorced regret ever having ended their marriage.

You don't have to get divorced if you don't want to. Divorce wasn't a part of God's plan when you took your vows on your wedding day, and nothing has changed today. In fact, the devil is actively using divorce today to thwart the Lord's purpose for us.
